#### ADDITIONAL INFORMATION

- Hammers:** Hammers will be available for your use during the mining educational modules. You are also welcome to bring your own if you choose. The maximum hammer weight allowed is 12 pounds.
- Goggles:** Goggles (or another form of eye protection) are strongly recommended during the mining educational modules. Unfortunately we cannot allow you to borrow safety goggles due to NY State Health Laws. We do sell goggles at group discount rates if you do need to purchase from us. Cost is \$2.50 each.
- Plastic Bags:** We will provide small ziplock bags for your finds. Some prospectors will bring buckets to carry larger rocks.
- Retail:** The Gift Shop always has inexpensive items available. Souvenirs, jewelry and gift items are available for children of all ages.
- Dress:** Toe covered sturdy shoes are essential. Remember, the mines are surface (above ground) and full of dolomite limestone rock.
- Rain?** At the Herkimer Diamond Mines when it rains, yes, you will get wet but remember that you generally find more! (The rain washes the dirt off the diamonds and they brilliantly shine!)

#### **What do you get to keep? Everything that you find!!!!**

**CONFIRMATION:** Please sign below and mail or fax back to Herkimer Diamond Mines, Inc. att: Marie Edick, 800 Mohawk Street, Herkimer, NY 13350, Fax 315-717-0066, e-mail [diamonds@ntcnet.com](mailto:diamonds@ntcnet.com)
